Don’t miss out on cherished memories with loved ones!

Dear **[PATIENT NAME],**

Communication is a critical part of everyday life. Interpreting information and communicating with loved ones is important always – but especially important during this time. People struggling with untreated hearing loss are at a great disadvantage. At your last appointment, we recognized your hearing loss could be improved with hearing aids and, given the changes we’ve seen hearing aids make in people’s lives, we wanted you to know: **we are open and here to help in a safe and caring environment.**

We understand that purchasing hearing aids can be a difficult decision and a significant investment – we are here to support you throughout the entire process**.**

We pride ourselves on delivering the kind of service and care that produces successful results for our patients. We schedule extensive follow-up and semi-annual appointments for all our patients to ensure they are enjoying the maximum benefit from their hearing instruments.

We’re confident that once you’ve experienced the difference that today’s advanced hearing technology delivers on top of our service, you’ll realize our commitment to your hearing health care.

I invite you to experience the clarity of speech and improved hearing that comes with new digital technology at our special **3-day Event** on **[EVENT DATES]**. Please call us today at **[PHONE NUMBER]** to schedule a one-on-one consultation. We look forward to discussing your hearing health care options.

Sincerely,

Name, credentials

Name, Credentials

We’re still committed to taking extra precautions to keep our office safe for everyone.
