

IS OPEN and servicing patients while doing our part to prevent community spread of COVID-19.

Temporarily limiting our hours

We are remaining open but limiting our hours while state and local regulations still allow

FREE Delivery of Supplies

We will mail supplies or deliver them to your home for those who live locally

Increased Sanitary Precautions

We always follow the CDC's Infection Control Guidelines for Healthcare Providers but are taking extra precautions and sanitizing rooms after each patient

Practicing Social Distancing

Limiting the number of patients in the waiting room at one time

Remote Hearing Aid Programming

Many services can be offered remotely including hearing aid programming*

Video Chat

Additional services can be accessed via video chat with our providers

Drive up Services

We offer many of our services curbside, no need to even get out of your car

- Supply pickups
- Repair drop off and pickup
- Cleanings
- Tubing changes
- Warranty renewals
- Basic programming

To schedule any of the above services, please contact us:

*Only certain manufacturers and hearing aids are capable of this feature
