PRACTICE MANAGEMENT SYSTEM REMOTE COUNSELING

BluePrint Solutions

- Utilize teleconferencing options like Zoom to simply set up meetings as usual outside of Blueprint OMS – free of charge
- Meeting URLs can be copied to the appointment details in Blueprint OMS
- Only need an internet enabled device that has a camera and a microphone (laptop, smartphone, desktop, tablet)
- Have a "Teleconference" event type or Teleconference resource checked out for the appointment on the schedule

CounselEAR

Utilize video conferencing launched from within CounselEar - free for all Complete OMS Users

No software download needed for professional or patient

Only need an internet enabled device that has a camera and a microphone (laptop, smartphone, desktop, tablet)

Schedule and hold online telehealth appointments

Learn more: <https://www.youtube.com/watch?v=xEpOSCHznyk&feature=youtu.be>

Sycle

Utilize video conferencing launched from within Sycle Classic and Sycle Pro – free for all Sycle Classic and Pro users

No software download needed for professional or patient

Mobile friendly (Safari for IOS and Chrome for Android)

Schedule and hold online telehealth appointments
